Online Slots Directory & Review

A **slot machine** (American), **fruit machine** (British), or **poker machine** (Australian) is a casino gambling machine with three or more reels, which spin when a button is pushed. **Slots** are also known as **one-armed bandits** because **slot machines** were originally operated by a lever on the side of the **slot machine** (the one arm) instead of a button on the front panel.

The **slot machine** pays off based on patterns of symbols visible on the front of the **slot machine** when it stops. Each **slot machine game** has its own features such as classic vegas style, wild symbols, bonus round features, multiline, multiplier, scatter symbols, free spins, skill stops, random and/or progressive jackpots.

We **review the online slot machine** (**fruit machine** or **poker machine**) games and the **casinos** giving you all the information needed to wager and making the best choice for maximum excitement and big wins at the **casino**, we have information on over **1,400 online slot machine games**.

Review of the 3-reel, 5-reel, 7-reel and 9-reel **slot machine games** include the all of the rules, how to play the **slot game**, bet per pay line, bonus round features, where to play the **slot machine games** and the online casino welcome bonus for signing up and playing these **exciting slots**.

Can I play the slots for free?

Yes! You can play the **online casino slot games** in the comfort of your own home for **free** or for **real money**! As a **Guest Player**, you will play on the same state of the art software and **casino games** as real money players. This will give you the chance to evaluate the **online casino (s)** and **slots (fruit machine or poker machine)** with absolutely no risk involved!

We now over **350 free casino games** at our sister site (24hr-slots.com) with excellent graphics and sound, nothing to download or install! Enjoy the **free casino games** like: Blackjack, Craps, Bingo, Flip Card, Keno, Roulette, Scratch Cards, Video Poker, Video Slots with Bonus Round Features and Vegas Style Slot Machine games.

How Do I Sign-up as a Guest Player?

If you know what **slot machine game** you would like to play, at the bottom of the **slot machine game review page** is a list of **online casinos** that offer that **slot game**, just choose one of the **casinos** to visit and **download** the **casino software** after installing the casino software; double click the **casino icon** the software will load and then you can sign up as a **Guest Player** to play for free

If you do not what to download the **casino software** you can play the **online casino** instant play (**Flash** or **Java**) casino games; some **online casinos** require you to sign-up as a **Guest Player** or ask for your **E-mail** and a **Password** or some **online casinos** let you play for free without doing anything.

Online Casino Software

Most of the online casinos offer both versions Downloadable and/or No Download (Flash - Instant Play).

Flash Casinos (No installation or download is needed) is Compatible with **Windows OS**, **Web TV**, **AOL**, **Macintosh OS**, if you can't or don't want to **download the casinos** free software you can play by visiting the **casino** and click on the **Flash Casino** button or **Instant Play**; then sign-up as a **Guest Player** and enjoy.

Free Downloadable Casino Software is compatible with all **Windows OS** (computer systems). **Download** the free **casino gaming** software and install it, then sign up as a **Guest Player** to play the free **slots** and **casino games** i.e. (**Slots**, **Table**, **Video Poker**, **Keno** and **Specialty** games).

When you're ready, you can convert your **Guest Player** account to a **Real Money** player account. This will allow you to play the **progressive jackpot** games, where you stand a chance of winning thousands of (USD, SGD, EUR, GBP, ZAR, PHP, PEN, CNY, MYR, YEN, and RUB)!

How do the 3-reel and 5-reel slots differ?

The **online slot machine game** play is exactly the same for both types of **3-reel** and **5-reel slots**. The pay out table reads from left to right, players are able to bet on more than one pay line and are able to win on multiple lines.

However in the case of **5-reel video slot machine games** it is possible for a player to bet diagonally as well as horizontally. On a **multiline slot machine** you are able to bet on more than one line across the reels. It is possible to win on multiple paylines when playing a **multiline slot machine game**.

How do I fund my Real Money account?

The **online casinos** offer a variety of **safe** and **confidential** options for depositing **Real Money** into your player account when you're ready to play for **real money**. Transactions can be made in the following currencies: USD, SGD, EUR, GBP, ZAR, PHP, PEN, CNY, MYR, YEN, and RUB.

To fund your **Real Money** account firstly you will need to have registered a **real money** player's account. There are several methods to making a deposit see the [Online Casino Banking](#) page for more options.
